Enclosed is a copy of the requirements that apply to this facility. Please be aware that it is a continuing obligation of persons associated with a facility to ensure facility operations are conducted in a manner which does not cause a nuisance or endangerment of the public health, welfare or the environment. Failure to operate and maintain the facility in accordance with applicable federal and state laws and regulations, as proposed in the current Notice of Intent form, will be considered a violation that may be subject to enforcement action.

Please note that the facility may be subject to other regulatory requirements (e.g. storm water permits, air emission permits, etc.) and is required to obtain such authorization prior to commencing operations. For assistance with other required authorizations, please contact the TCEQ Small Business and Local Government Assistance Section at (800) 447-2287 or access the MSW Permit Section's website at <http://www.tceq.texas.gov/goto/mswrecycle>.
